

SCEDP | Certifier Network

Enrollment Form

In order to receive equipment from the South Carolina Equipment Distribution Program (SCEDP), applicants need a professional certifier to verify their hearing or speech challenge. SCEDP works with professionals across the state to create a network of certifiers that applicants can contact.

Qualified application certifiers include

- Audiologists
- Physicians
- Physician's Assistants
- Advanced Practice Registered Nurses
- Speech-Language Pathologists
- Hearing Aid Specialists

Want to be listed?

By completing and returning the form below, you are agreeing to have your information listed on the SCEDP website's Certifier Network.
